OPERATING INSTRUCTIONS

DUNK TANK

DO NOT OPERATE THE KINDAS' DUNK TANK IN WINDY OR UNFAVORABLE WEATHER CONDITIONS. KINDAS' DUNK TANK CAN SEVERELY INJURE OCCUPANTS.

Make sure that the **KINDAS'** Dunk Tank is properly set up before letting dunkee sit. All dunkees must empty their pockets of any hard objects that can injure themselves or others while dunking. Eyeglasses and jewelry should also be removed. This includes watches, bracelets, necklaces, etc. Check to see that seat is properly locked and is released when the target is pressed. Be sure to show this operation to the person who will be on the tank, as they will need to know how to reset the seat and trigger mechanism each time it is released, before they get back onto the seat.

Please remind the dunkee to keep their hands on their knees and sit forward on the seat. A competent adult must supervise the unit at all times.

WEIGHT LIMIT
270

AGE
ADULT

In the event of severe weather, remove dunkee from the unit immediately. Make sure the unit remains secure. Do not reuse unit until adverse weather conditions cease.
